

## **Instruction**

### **Organization of Instruction**

The School District has instructional levels for Early Childhood through grade 8. The Superintendent shall annually present to the Board of Education a plan for organizing instructional levels and assigning them to school facilities in order to:

1. Support the District's educational program,
2. Maximize facility usage without undue overcrowding, and
3. Provide substantially comparable instructional programs across the District.

Students, for instructional purposes, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

### **Kindergarten**

The District maintains a full-day kindergarten with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of the State law. In addition, the District also organizes a half-day instructional program that is in alignment with School Code.
