

Making the transition to Stevenson High School...

Students, find out how to:

- ADJUST to the academics and manage your time
- GET HELP when you need it – academic & emotional
- GROW your social circle
- RESPOND in social situations if alcohol/drugs are offered
- KNOW and understand SHS rules and the law as it applies to you
- MAKE the most out of SHS

Parents learn:

- The facts and consequences regarding vaping
- The laws associated with hosting a student party
- How to host an alcohol- /drug-free student party
- About your student's social transition
- What developmental growth you can expect
- How you can support the academic/social change
- How to recognize signs of drug/alcohol abuse
- How you can access resources and find support

Don't miss this SIMULTANEOUS learning opportunity for your student and yourselves.
