Dear Buffalo Grove Resident:

Even though it's still only the beginning of spring, we hope you are as excited for summer as we are. Attending any of our fun events, like the Pride Picnic, Movies Under the Stars, the Summer Concert Series, and National Night Out (just to name a few), is a great way to have fun with your family and make new friends in the community. This summer, some of the events we are bringing back include the Adventure Challenge for kids, the Cardboard Boat Regatta, Camping Under the Stars, and 2 additional dates to the popular Tots in the Park series.

We also have a wide variety of fun programs planned for people of all ages. Whether you enjoy summer camp, pickleball, playing cards, listening to live music, exercising at the Fitness Center, or exercising your dog at the Happy Tails Dog Park, there is something for everyone throughout the pages of this program guide. Taking time for yourself is important, and your Park District makes it easy for you to do that.

Finally, we want to update you on some of the projects we have planned this spring and summer. We are just about finished with the redevelopment of Prairie Grove Park and about to begin the redevelopment of Parkchester Park. This project includes a new playground, basketball court, tennis court, pickleball court, a 19-stall parking lot, a right-in and right-out access point off Weiland Road, 2 fish outcropping locations, and the existing trail system will be extended. Construction has begun and is scheduled to be completed in July.

Our biggest project happening right now is the major renovation at Mike Rylko Community Park, which includes a new permanent outdoor amphitheater and event shelter that will be ready in time for Buffalo Grove Days. In addition to the annual Labor Day festival, the new amphitheater will be the home for our summer concert series as well as other live performances.

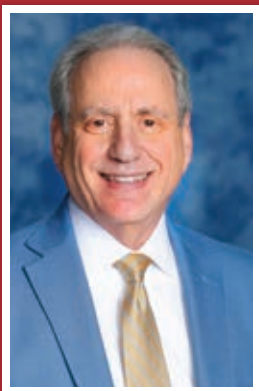

On behalf of all of us here at the Buffalo Grove Park District, I hope you and your family have a wonderful summer and enjoy the beautiful parks that we have here in Buffalo Grove.

Buffalo Grove Park District Mission Statement

Enriching life and community
through premier parks, programs,
and facilities.

Adopted January 2013.

Registration Information

The graphic features a dark brown background with a golden archway at the top containing a stylized rainbow. Below the archway, the text reads: "General Program Registration Dates". Underneath, it lists "In-District Registration" (begins Tuesday, April 30 at 8:30 am) and "Out-of-District Registration" (begins Tuesday, May 7 at 8:30 am). A note states that registrations received prior to these dates will be processed at random. A "Please note" section indicates that all programs are first-come, first-served and will fill up quickly.

General Program Registration Dates

In-District Registration
Begins: Tuesday, April 30 at 8:30 am

Out-of-District Registration
Begins: Tuesday, May 7 at 8:30 am

All registrations received prior to the above dates and times will be processed at random.

Please note: All programs that are available for online registration are first-come, first-served and will fill up quickly.

Proof of Residency

You must provide proof of residency the first time you register, in order to receive Buffalo Grove Park District in-district rates. Once you are in our system, you will not need to prove residency again unless your address changes. The only acceptable forms of proof include a valid driver's license or state identification card, or a current electric, gas, water, or garbage bill.

Registration Information

The Park District's registration process was developed to permit fair access to Park District programs and services for all of our residents.

- Complete your registration form(s), including second-choice programs and signature. Unsigned forms or incorrect payments will delay the registration process.
- Make sure that all program codes indicate the classes you want. If the code is incorrect, it may delay your registration.

Waitlists

Waitlists are automatically created when we have more registrations for a program than we have space. Your receipt will indicate if you are registered for a program or on the waitlist. We will process refunds once we are certain that we cannot find an opening for you.

Second-Choice Programs

Selecting a second choice increases the likelihood of getting into a program. Please pay the total of the highest fees. If your payment is less than the necessary total, your registration cannot be processed. If the program you want is full, we will place you in your second-choice program. If both programs are full, you will be placed on a waitlist for your first-choice program and your fee will be refunded.

Refunds

- Full refunds will be issued for any program canceled by the Park District.
- Participants may request refunds for programs up to 5 business days before the program's first meeting. In athletic programs and leagues, the program is considered to begin with its first practice.
- Refunds received with less than 5 business days' notice will be issued only for a medical problem when accompanied by a doctor's note.
- Refunds for trips and contractual workshops will be issued only if the spot can be filled from the waitlist.
- Once a program has ended, a refund will not be issued.
- A \$5 administration fee will be charged against refunds, including medical problems, to cover clerical and administrative costs. There are no administrative fees charged when a program is canceled by the Park District.
- Fees paid by credit cards will be refunded through charge account credits. All other payment types will be refunded by check.
- If you register online and would like to withdraw, please complete a registration change form and email it to registrar@bgparks.org, or fax it to 847.459.5741.
- Refund processing takes 2 weeks.

Senior Discount

In-district residents aged 62 and over are entitled to a 20% discount on recreation opportunities through the Park District except contractual programs and trips. Programs marked with this symbol **S** indicates that the program is eligible for the 20% discounted fee. This applies only to programs listed in the Adult Programs, Adult Sports, and Fitness and Wellness sections. All eligible programs in the Club 50 sections already have the discount applied.

Receipts

A confirmation of registration will be sent to you electronically if an email address has been provided. If not, a receipt will be mailed to the address on the registration form. The Buffalo Grove Park District will reissue past receipts when a receipt request form is completed. There is a \$5 fee per request. Receipt request forms are available on our website or at the Alcott Center. Once the fee is paid and the form is completed, please allow 5 days for processing.

Program Changes & Cancellations

- Programs are sometimes canceled or altered due to low registration, changes in staff, or facility availability.
- If your receipt indicates a program has been canceled or altered, please contact the Park District right away at 847.850.2100. We may be able to transfer your registration to another program of your choice.
- You are entitled to a full refund for a program that has been canceled by the Park District.

Park District Advantages

If you live within the boundaries of the Buffalo Grove Park District, you are entitled to:

- Registration for limited programs before they are opened to those who live out-of-district.
- Pre-registration for certain continuing programs.
- In-district rates for all programs.

The boundaries of the Buffalo Grove Park District and the Village of Buffalo Grove are not exactly the same. Some neighborhoods at the edges of Wheeling and Arlington Heights are in the Buffalo Grove Park District boundary. Other neighborhoods within the Village of Buffalo Grove are outside the Park District. If you are not certain whether you qualify as a resident of the District, please check your property tax bill, or contact our registration office at 847.850.2100.

Out-of-District Fair Share Fees

Those who live within the boundaries of the Buffalo Grove Park District make significant contributions to the operation of the agency through their property taxes. This contribution is beyond the fees they pay for programs and services. The fair share fee policy was adopted by the Park District's Board of Commissioners to equalize this financial burden. Fair share fees will be 25% more than the in-district fee up to a maximum of \$100.

General Information

Americans with Disabilities Act

The Buffalo Grove Park District will comply with the Americans with Disabilities Act (ADA), which prohibits discrimination in the provision of programs, services, or activities to individuals with disabilities. We invite any resident with any special need to contact our staff or our special recreation staff upon registration so that a smooth inclusion may occur. In addition to the programs listed within our program guide, our district also provides specialized services for people with disabilities through the Northwest Special Recreation Association (NWSRA). Feel free to contact NWSRA at 847.392.2848 for more information.

If you have questions regarding the Park District's ADA policy or believe that you have been unfairly discriminated against in the provision of services or activities at the Buffalo Grove Park District, contact Laurie Hoffman, our ADA compliance officer for facilities, at 847.850.2115, or Erika Strojinc, our ADA compliance officer for programs, at 847.850.2133. A procedure is available to you for the prompt resolution of your complaint.

Please attach a description of any accommodations needed to your registration form. This procedure will help ensure your enjoyment of our programs and events.

Illinois Relay Center

The Buffalo Grove Park District encourages people who have hearing or speech impairments to use the Illinois Relay Center if they wish to call the Park District. The service is available at no cost to those using a TDD or TTY.

If you use a TDD or TTY and want to call the Park District or someone who uses a standard telephone, the communications assistant will voice your typed words to the person using a standard telephone and type the standard phone users words to you.

To use this service:

1. Dial 7-1-1 or 800.526.0844.
2. When the Communications Assistant answers, type the telephone number of the person you want to call.
3. When the person answers, proceed as you would with a regular TTY call. Direct your conversation to the person you are calling, not to the communications assistant.
4. Type "GA" when you are ready for the other person to respond. When you are finished with your conversation, end the call by typing "GA" or "SK" (stop keying), giving the person you are calling an opportunity to continue or end the call.

Changes/Errors Disclaimer

Due to the large amount of information available in the Buffalo Grove Park District program guide, errors before or after publication may occur. We apologize for any errors in this publication, and we will advise you of any changes as quickly as possible. We will also attempt to keep information on our website at bgparks.org as current as possible. Thank you for your patience and understanding when these situations occur.

Park District Tours

Whether you are new to the area or are a longtime resident who has not been able to keep up with all the development over the past few years, the Buffalo Grove Park District is offering tours of the Park District. It is a great way to learn about the more than 50 parks and facilities within the District as well as an opportunity to ask questions you might have regarding any of the hundreds of programs and events offered throughout the year. If you are interested in taking a tour, contact Tim Howe at 847.850.2163.

Photo Disclaimer

Registrants and participants of programs and special events permit the Buffalo Grove Park District to take photos and videos of themselves and their children for publication in the program guide, website, and additional uses as the Park District deems necessary unless the registrant or participant expressly files with the Park District a written objection as to photos or videos of themselves and/or their children.

Facilities

All facilities participants are expected to follow the rules of the facilities. Specialty areas of the facilities (example: Fitness Center and the pools) have posted signs stating special rules specific to that area. Disregard or abuse of facility rules may result in removal by staff or police from the facility for a designated length of time or permanently.

Warning of Risk

Recreational activities/programs are intended to challenge and engage the physical, mental, and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning, and equipment, there is still a risk of serious injury when participating in any recreational activity/program. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers, and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction, or officiating, and all other circumstances inherent to indoor and outdoor recreational activities/programs exist. In this regard, it must be recognized that it is impossible for the Buffalo Grove Park District to guarantee absolute safety.

Behavior Policy

Part of the mission of the Buffalo Grove Park District is to provide safe and wholesome programs, parks, and facilities for our residents and guests. The behavior policy has been established to help fulfill this mission. We ask all staff, volunteers, participants, and spectators to help us in our effort to provide the best possible environment to enjoy our recreation activities. The behavior policy is available for viewing at the Alcott Center or on our website at bgparks.org. Questions about this policy and the disciplinary procedure should be directed to the director of recreation and facilities, or to the superintendent of recreation at 847.850.2100.

Smoking is not allowed on Park District property. This includes electronic cigarettes (e-cigs or e-cigarettes), personal vaporizers (PV), or electronic nicotine delivery systems (ENDS), or any other device that simulates tobacco smoking by producing an aerosol that resembles smoke. This includes all parks, facilities, buildings, athletic fields, spectator/viewing areas, and parking lots. Thank you for your cooperation.

Observers of programs are also expected to behave appropriately. Parents, friends, and any other observer are held to the same standards of behavior as participants. If inappropriate behavior of a program observer is reported or observed by a staff person, the observer will be asked to leave by staff or police if necessary.

Tree Memorial Program

If you would like to commemorate a date, person, event, or organization, you may arrange to have a tree of your choice planted in your favorite park. The Park District recognizes tree memorial donations with plaques at the Alcott Center. The Park District will consult families or individuals on the tree species and potential location. The Park District will complete all installations. All donations are tax-deductible. A brochure on the Living Tree Memorial program is available at the Alcott Center.

Gift Certificates

Give the gift of fun! The Buffalo Grove Park District offers gift certificates in any dollar amount. Park District gift certificates can be used toward any program, such as classes, camp, preschool, and Clubhouse, or toward season passes at the pool or Golf Dome. Active-Duty Military Policy

The Buffalo Grove Park District Board of Commissioners admires the sacrifice of military personnel and their dependents and wants to provide the support they need. The Board feels that these families should be able to enjoy the many parks, programs, memberships, and facilities in our community. Therefore, a comprehensive program is available to military personnel and their dependents residing within the Buffalo Grove Park District.

Joining the Park District are the Friends of the Parks Foundation and the Rusty Reiner Veterans Memorial Fund. These 2 groups have provided financial support to supplement this Park District commitment. Combined with the Park District, these groups help make sure that most programs and services are available to active-

duty military personnel and their dependents. This policy is for active-duty military personnel, including reservists called to duty.

Please call 847.850.2100 for more information or to receive a scholarship application packet. All requests will remain confidential.

Rusty Reiner Veterans Memorial Fund

A fund has been established in memory of Vietnam Veteran Russell "Rusty" Reiner, a longtime Buffalo Grove resident. His daughter, former wife, parents, brother, and many cousins still live in Buffalo Grove. The Reiner family partners with the Park District to provide a scholarship/fee-assistance program for active-duty military personnel and their families.

If you are interested in participating in this program as either a scholarship recipient or as a contributor to the program, contact Erika Strojinc, Executive Director, at 847.850.2133.

The Buffalo Grove Park District thanks the Reiner family for their generosity in supporting financial relief to resident military families.

PRESENTS THE 2024 SUMMER MUSICAL

Join us at the Community Arts Center for the musical hailed by Time Out New York as the “funniest musical comedy in at least 400 years!” Big Deal Productions is delighted to present Something Rotten for the 2024 summer musical production.

Set in the 1590s, brothers Nick and Nigel Bottom are frantic to write a hit play but are stuck in the shadow of that Renaissance rock star known as “The Bard.” When a mystic prophesies that the future of theater involves singing, dancing, and acting at the same time, Nick and Nigel set out to write the world’s very first musical. But amid the outrageous excitement of opening night, the Bottom brothers realize that reaching the top means being true to thine own self and all that jazz.

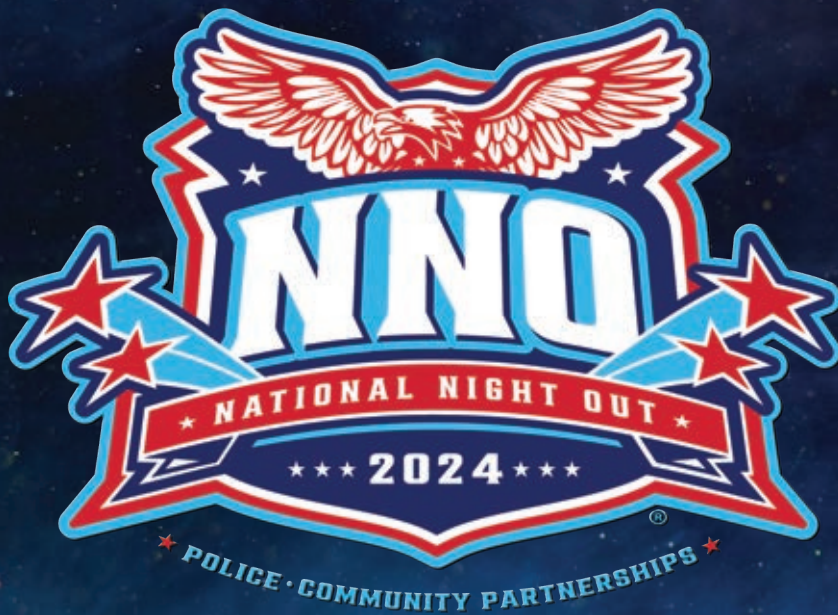

Please note: This production has been rated PG-13 by the licensing company. For more information, contact Lindsay Grandt at 847.850.2132 or lindsay@bgparks.org.

Young Rembrandts Preschool

Your preschooler's mind is hard at work building the knowledge and skills it will use for a lifetime. Now, more than ever, it's important to challenge their curious minds with activities that will keep them engaged and eager to learn. Specifically designed with the needs of our youngest learners in mind, we use subjects they're familiar with, such as animals and toys, as well as their favorite learning tools (pictures, stories, touching, and doing) to enhance social and conflict-resolution skills, while improving listening, fine-motor skills, and time-on-task. Give your preschooler the information they're hungry for, and be amazed by what they'll create! For more information, contact TJ Wilkes at 847.850.2199 or twilkes@bgparks.org.

Camp Staff

The Buffalo Grove Park District’s summer camp staff will provide the best summer possible for your child. We hire our staff based on their character, leadership, enthusiasm, and creativity.

All Buffalo Grove Park District summer camps have an on-site supervisor to encourage leadership and guidance for each of our unique camps. Many of the previous summer camp supervisors will also be back, full of fresh ideas and renewed commitment. All summer camp staff complete a thorough orientation process that incorporates safety, creativity, team building, and daily activity planning. All camp supervisors are certified in National Safety Council first aid, CPR, and AED.

Camp Site Locations

In addition to using some of our own facilities, through cooperative arrangements with School Districts 21, 96, and 102, we strive to provide the best facilities for our summer day camps. Due to capital improvement projects at the various school districts, all camp locations are subject to change.

Transportation

The Buffalo Grove Park District does not provide daily transportation to or from camp, however we do utilize a school bus service for swimming and our many fun field trips.

Registration Information

The registration deadline is 1 week prior to the first day of each session for all camps, as well as Post Summer Camp field trips. All registrations received after those dates will need supervisor approval if spaces are available.

Establishing Residency & Household Account

Newly created accounts are flagged as out-of-district until proof of in-district residency is established. Visit our website at bgparks.org and click on “Program Registration” at the bottom of the page to begin the process of creating your account.

You must provide proof of residency at the Alcott Center to receive in-district registration access. The only acceptable forms of proof include a valid driver’s license or state identification card, or a current electric, gas, water, or garbage bill. Contact us at 847.850.2100 or registrar@bgparks.org if you have any questions.

Online Registration Process

In order to register online you must have your household account set up in the Park District’s registration system. If you have an account, please verify your username and password prior to the first day of registration. If you do not remember your information, there is a link on the login page for username and password retrieval. In-person registration is accepted at the Alcott Center.

CAMP CONNECTION

Camp Connection is a before- and after-camp program designed to accommodate working parents. Camp Connection will be managed like camp and will not just be free play. Activities will include sports, arts and crafts, indoor and outdoor games, and other fun summertime activities.

Camp Connection is only for campers who are enrolled in the Buffalo Grove Park District Camp programs and must be entering Kindergarten through 8th grade next fall.

The morning Camp Connection begins as early as 7 am and ends at the starting time of the camper's individual camp. The afternoon Camp Connection will start when the camper's individual camp ends and goes until 6 pm. Snack will be provided in the afternoon session only during Camp Connection. Any children with food allergies may bring their own snack each day.

The Park District will do everything possible to keep Camp Connection locations at each camp site. However, due to varying levels of enrollment, participants may have to be transported to another location. In these instances, transportation from the participant's camp site to the Camp Connection location will be provided.

Camp Connection is a separate registration from camp. When you complete your camp registration, please indicate your interest in Camp Connection in the questions. When Camp Connection registration information is ready, it will be sent to those who indicated interest as well as updated on the website. **Please note:** There is a 2-day minimum per week. For more information, contact Shannon McClure at 847.850.2121 or shannon@bgparks.org. **No Camp Connection on July 4.**

If you plan to host a birthday party this summer, we encourage you to check out our party packages offered at our other facilities. For more information, contact us at birthdays@bgparks.org or 847.850.2126.

Rentals at the Spray 'N Play will resume in summer 2025.

The Buffalo Grove Environmental Action Team is a group of environmentally conscious local citizens eager to improve the community's natural environment and encourage sound and sustainable practices. As part of our goal to encourage people to reuse and recycle, we would like to inform residents that a SWALCO collection bin was installed at the southeast corner of the parking lot at Emmerich Park. Please use this bin for new and gently used clothing and textile donations in addition to torn or worn materials. Sorry, but shoes, pillows, cushions, and rugs cannot be accepted. By recycling you are doing a great thing for the local community as well as the planet by keeping hundreds of thousands of pounds of materials from our landfills. Other benefits include conserving energy and water, decreasing pollution, and reducing our carbon footprint.

Come join the team - you can make a difference! Visit our website page at bgeat.org, or call Jeff Weiss at 847.224.0965.

Potawatomi Pathways

Grade: Preschool - 5

This program emphasizes the connection between history and the environment. Students view reproduction Potawatomi artifacts while learning about Native American houses, food, and clothing. Additional options include a memory game, folktale, or trading post activity.

A Student's Life

Grade: 1 - 2

This presentation uses images and artifacts to show students what life was like 100 years ago. They explore one day in the life of a child - home, school, shopping, and having fun.

Tiny Traders

Grade: 1 - 2

Shop like the farmers did 125 years ago! First, students earn money from the dairy cow, gather eggs, and make a shopping list. Next, they shop in the General Store using their money and eggs to buy and barter for the things on their shopping list. This program teaches the difference between needs and wants and the link between work and money.

Buffalo Grove Then & Now

Grade: 1 - 5

Learn how Buffalo Grove has changed during the past 100 years. First, students look at a series of artifacts to see how one object changes over time. Then, a slide-show contrasts pictures of past Buffalo Grove buildings with buildings that currently stand in those locations.

Measurement

Grade: 2 - 3

History + Math! How did farmers organize the space in their barn to make the most money? This program combines history and math as students practice area and perimeter and choose sides in the battle of cows versus chickens.

Adaptation

Grade: 3 - 4

How do animals and plants survive and thrive? They adapt. This program will teach students about the different ways that plants and animals adapt to their environments and the changing seasons.

Packing for Pioneer Life

Grade: 3 - 5

Experience westward expansion into Illinois in the 1830s. Students start by brainstorming what pioneers needed to settle Buffalo Grove. Next, the museum educator opens a pioneer trunk filled with reproduction artifacts, demonstrating the use of each item and the need it filled. Finally, students make their own choices in a hands-on wagon-packing activity.

Invention vs Innovation

Grade: 3 - 5

Students learn about the power of invention by looking at 2 classic history-making examples from the Museum's collection - cameras and telephones. They will then learn about innovation as they explore how both of these inventions changed over time and eventually merged into today's smartphones.

What Makes a Good Exhibit?

Grade: 3 - 5

Tired of looking at rainbow font? This program introduces students to the design behind good exhibits and signs. Using hands-on examples, they will discover that the way information is arranged visually is key to helping the reader understand their message.

Early Chicago

Grade: 3 - 5

Learn about the early history of Chicago - how it developed, why it grew, and the different ways in which Chicago and the suburbs are connected.

Archaeology

Grade: 4 - 8

This exciting program introduces students to the history, science, and practice of archaeology! After viewing a presentation about archaeology principles and techniques, students put their knowledge to work by participating in a mock dig and analyzing the artifacts they uncover.

WWII

Grade: 5 - 8

From aircraft carriers on Lake Michigan to food rationing at home, WWII had an effect on everyone. Students will learn what life was like locally during this time period and the role kids played in the war effort.

The Civil War

Grade: 5 - 8

Students will learn the stories of local residents affected by the Civil War and explore how the national issues involved in this conflict affected people on a local level.

Our programs meet the new
Illinois social science standards.

Competition Company

This national award-winning program is about to begin its 17th successful season! We have been recognized at both regional and national competitions for our technique, costumes, and overall positive attitude. The company gives dancers the opportunity to work toward excellence and improve on their dance technique, while learning important teamwork skills and having fun. Competitions push our dancers to work hard and learn from the experience. Our overall goal is to ensure every dancer is striving to be the best at their craft, which we believe is an enriching and life-long motivator. We invite you to be a part of our dance family. For more information about the Dance Company, contact Aly Stanczak at 847.850.2105 or aly@bgparks.org.

These classes are a perfect start for students ages 2 - 6. Children are introduced to the world of dance through music, games, and creative play. We will work on following directions in a group, the concept of left and right, moving across the floor, balancing and sequencing exercises, free expression to music, body awareness, and coordination, and, of course the basics of ballet. Tap is introduced in Tippy Toes, and jazz/hip hop is introduced in Plie N Pop. Students must be age appropriate by the first day of class. Our studio follows a specific dress code for all classes.
