Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Sick Leave

Fourteen (14) days of sick leave will be granted to 12-month employees.

Unused sick leave shall be allowed to accumulate to a maximum of 240 days.

This policy is the District's written plan allowing eligible employees to convert eligible accumulated sick leave to service credit upon a District employee's retirement under the Illinois Municipal Retirement Fund.

A day of sick leave pay shall be in the same amount of a normal day's pay. The employee may use the current yearly sick leave at any time before it is actually earned. In the event of termination of employment, an adjustment will be made in the last payroll check(s) if the employee has been paid for more sick leave than earned.

Sick leave may be taken for personal illness, mental or behavioral complications quarantine at home, ~~or~~ serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. Members of the immediate family shall include father, mother, brother, sister, wife, husband and children or other relative whose regular residence is in the home of the employee. Sick leave may also be granted due to the death of a wife or husband's father, mother, brother or sister or the employee's grandparents.

Any employee who works less than twelve (12) months a year and eight (8) hours a day, will have sick leave prorated on the basis of actual time worked. For example, an employee working nine (9) months and six (6) hours per day on a consistent basis could be allowed eleven (11) six (6) hour sick days per year.

As a condition for paying sick leave after 3 days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) A mental health professional licensed in Illinois providing ongoing care or treatment to the staff member (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual advisor or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than 3 days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Bereavement Leave
