**\*\*\*PEST TREATMENT APPLICATION NOTICE\*\*\***

District 96 uses Integrated Pest Management--a program that combines preventive techniques, non-chemical methods (such as bait traps), and the appropriate use of pesticides (with a preference for products least harmful to human health and the environment).

On October 06 & 07, 2023, Schopen Pest Solutions will perform a preventative treatment on the school grounds of all Kildeer Countryside CCSD 96 Schools. If you have any questions, please contact Sam Miranda at the District Business Office (847-459-4260).
