

REPEAT *Transitioning to Middle School session*

Parents of 5th Graders: Who is more excited or nervous, you or your fifth-grader, as you both contemplate transitioning to sixth-grade and a whole new school?

Find answers to some questions you may have in the “Transition to Middle School” virtual meeting, an information-packed program for parents of all current KCSD 96 fifth-graders. This program begins at 7 p.m. April 20 (via Zoom).

Middle School Principals Jessica Barnes (Twin Groves) and Greg Grana (Woodlawn) will discuss academics, extracurricular opportunities, and changes that middle school years bring. Also, current 6th-grade panelists will share their perspectives.
