

## **REPEAT \*Cold & Snowy Weather and Recess\***

Please remember to send your child to school daily with proper outerwear. Weather permitting students go outside for recess every day. In winter the temperature, wind chill, and weather conditions will be monitored throughout the morning. The weather website and playground will be checked to determine if conditions are appropriate for outdoor recess. When the temperature or wind chill is below zero degrees, students will be kept inside for recess. We weigh options when the temperature or wind chill is between zero to ten degrees, to determine if we have indoor or outdoor recess. We do try to allow the children to go outside whenever possible, so please help them to come prepared with gloves, scarf, hat, snow pants, and snow boots. In order to play in the snow, students must have snow pants and snow boots.
