

# Science Olympiad

Do you have a scientific mind? Does the *Periodic Table* make you shake with excitement? Do you love to learn new things about our world through study, experimentation, and building?

**You and your parents** are invited to a **Science Olympiad** Information night to learn more about Science Olympiad, the events that are scheduled for the 2023-24 season, and sign up to take a placement exam!

We need **committed** team members:

- o Season is from October through April (or May if we make it to Nationals!)
- o Practices will be held on Wednesday and Thursday from 2:30-3:30 and 3:30-4:30 and Saturday practices will be held from 9:00-10:00 and 10:00-11:00 or times set up by Parent Coaches.
- o Invitational competitions are held on Saturdays- dates to be announced.
- o Regional Competition: Tentatively March 2, 2024.
- o State Competition is in April, 2024 - Date TBA

## **Meeting date:**
